# What To Do With Your Metadata Info

What else can you do after using our online exif viewer

## Convert Files Online

Now that you extracted all exif information from your photo or checked all metadata from a video, you can proceed to convert your file to another format.

Using Online-Convert.com you can convert your file into one of the most common audio, video, document, image or e-book files.

Go to Online-Convert.com (<https://www.online-convert.com/>)

## Edit Document Online

If you checked a document, for example a PDF file, to find hidden file information, you can no edit it.

Using PDF2Go, you can edit your PDF online – completely for free! Rotate pages, split PDF files, resize or compress a PDF, delete single pages or add password protection to your file!

Go to PDF2Go.com (<https://www.pdf2go.com/>)

## File Security Is Important

Regularly checking files you are uploading or sharing, either with friends or over the internet, is an important step. Files like videos, music and documents can contain hidden sensible information that you may not want to share with the world.

Check your files regularly and go through the metadata info to make sure they are no security problem for you!

Terms of Use (<https://www.metadata2go.com/terms>) |
